

Northern Inyo Healthcare District
Medical Staff Office

150 Pioneer Lane
Bishop, CA 93514
(760) 873-2136

Northern Inyo Healthcare District is seeking a Board Eligible/Board Certified General Surgeon to join a collaborative practice of one full-time general surgeon and one part-time general surgeon in Bishop, CA. This general surgical practice is located in the foothills of the Eastern Sierra, 60 miles south of the entrance to Yosemite and 60 miles north of Mt. Whitney, where you can enjoy world-class rock climbing, miles of hiking trails, fishing, biking, and skiing. This is your opportunity to work where you play!

The practice includes endoscopy for upper and lower GI, clinic and light call at a hospital with three OR suites with advanced laparoscopic equipment and the da Vinci XI surgical system. Choose either a 1099 or employment with a benefits package that includes 6 weeks off, health, vision, dental and disability insurance, liability insurance and a 401K. Very little trauma; a true general surgery practice in every sense.

For more information, please call or email Dianne Picken at 760-873-2136 or med.staff.admin@nih.org.
