Are you a pediatrician who loves the outdoors?

Come and join a thriving pediatric practice in Bishop, California. Located in the majestic Owens Valley between the Sierra Nevada and Inyo mountains, Northern Inyo Healthcare District is looking for a BE/BC pediatrician to join a well-established practice.

- Work with two pediatricians and a Pediatric Nurse Practitioner who specializes in adolescent medicine, and choose from flexible clinic schedule options.
- Hospital call is shared with three other providers and is primarily Level 1 nursery coverage with an average of 150-200 deliveries per year.
- As the only pediatric group in the Owens Valley this practice has developed a strong working relationship with local child-focused organizations in order to provide comprehensive care to all.

Centrally located in the Eastern Sierra, your family will enjoy world class rock climbing, miles of hiking trails, fishing, biking, and skiing Mammoth Mountain. Spend your weekends exploring the Pacific Crest Trail, Yosemite National Park or Death Valley. We are also an ideal location for artists.

The majority of calls are covered by an after-hours nurse-triage service. Pay is competitive, full benefits are available including liability coverage. Sign-on bonus, moving expenses and student loan repayment options are available. If you are looking for the perfect work-life balance please call or email Dianne Picken at 760-873-2136 or [med.staff.admin@nih.org](mailto:med.staff.admin@nih.org).
